Notice of USB–IF Certification

Date: 2026-01-05

TID 14771, listed as Marketing Name: RealScan SG10 Part Number: RSSG10 has passed USB–IF Compliance testing and is listed on the Integrators list as certified by Xperix Inc. on 2026-01-05. Testing for this product was performed at Telecommunications Technology Association (TTA).

USB-IF EU Conformity Notification: This Notice of Conformity serves as a validation/confirmation from the USB-IF that the products in question are interoperable to the corresponding EU referenced USB specifications noted below:

- **'Universal Serial Bus Type-C® Cable and Connector Specification Release 2.4, October 2024',** issued by the USB 3.0 Promoter Group and the Universal Serial Bus Implementers Forum (USB-IF).
  - USB Type-C® Cable and Connector Specification: IEC 62680-1-3:2024

- **'Universal Serial Bus Power Delivery Specification Revision 3.2, Version 1.1, 2024-10',** issued by the USB 3.0 Promoter Group and the Universal Serial Bus Implementers Forum (USB-IF).
  - USB Power Delivery specification: IEC 62680-1-2:2024
  - Only applies to products that support USB Power Delivery (USB PD)

Note: USB specifications are backwards-compatible such that products that are compliant to the newer revisions will still meet the EU conformity requirements to the USB specifications and IEC 62680 (USB) specifications.

The most current information is always posted on the Integrators List at www.usb.org. Please feel free to contact admin@usb.org if you have any questions.

Thank you,
USB–IF Administration
